PILLOW MENU

SPELT PILLOWS

Filled with 100% spelt grains, this model offers excellent ventilation and optimal support for the cervical area. Thanks to its natural composition, it helps reduce tension and limits perspiration. Ideal for a fresh and comfortable sleep.

LAVENDER PILLOWS

Enjoy soothing nights with this soft, naturally scented pillow. The aroma of lavender calms anxiety and helps combat insomnia while providing antiseptic and healing benefits. Ideal for restorative and refreshing sleep.

CHERRY PILLOWS

Thanks to their refractory properties, cherry pits store and diffuse heat or cold for an extended period. Heated in just a few minutes, it provides 30 minutes of soothing warmth. Used cold, it offers relief without the discomfort of ice packs.

NECK SUPPORT PILLOWS

No matter your sleeping position, this ergonomic pillow supports the neck muscles and ensures healthy alignment. It perfectly conforms to the contours of the head and neck for optimal comfort.

HEFEL MEMORY

Made of viscoelastic memory foam, this pillow perfectly adapts to the head and provides optimal muscle relief. It always returns to its original shape for lasting comfort.

HEFEL NATURLATEX

Made from 100% natural latex, this neck support pillow is ideal for allergy sufferers. Its aeropermeable structure wicks away moisture and provides lasting support for the neck muscles.

HEFEL MEDIFLEX

This innovative modular system allows you to adjust the density and height of the pillow using three layers of filling. It adapts to individual needs for personalized comfort based on your sleeping position.

HEFEL MY NECK

This pillow supports the spine in both back and side sleeping positions, providing effective relief. It stretches the pectoral muscles and promotes the mobilization of the thoracic spine, making it ideal for rest and well-being.

Upon request, subject to availability, limited to two pillows per category.
